Dc motioned to accept the HVA October 16, 2017 minutes, TG second, Ayes unanimous.

Treasurer Report

Find Attached, Treasurer Report from Dave Baker.

TG motioned to accept the treasurers report DC second, Ayes unanimous.

Water Shed Educational Program and Richmond Recreation

Board discussed the Watershed Educational Program being utilized in the 6th grade with HCS. TG was asked to contribute to the course content based on our specific lake's qualities. He advised to add external versed internal loading of nutrients.

Further discussion was about funding a program within the Richmond Recreation Program in addition to the program for 6th graders at HCS. General consensus was that the board is open to consider funding with more information, such as cost. The suggestion was made to set up and appointment for the educators to meet with the Richmond Recreation Director.

Education outreach to HCS

LM is working on an educational hand out that can be sent home with students.

TG asked who puts together the school newsletter? And could we put some educational information about the lake in that newsletter?

LM is going to look into prices for stands to display educational handouts.

Friends of the Park & Friends of the Lake Foundations

LW is going to talk about the Watershed Educational Program being presented to Richmond Recreation with the “Friends of the Park” group.

DL discussed with the board the “Friends of the Lake Foundation” and the possibility to have a conversation with Dave Mitchell about the foundation.

DC added that Finiley Lake and Loon Lake have a foundation they may be a resource to help set up Honeoye’s friends of the Lake. LW added that Naples has a friends of the park and they are looking at how they set up theirs to use that model.

Honeoye Public Library

DL motioned to send the Honeoye Library \$250.00 for the 2017 season (check This)

Terry Gronwall what is happening on the lake

TG advised the board D-n-C has an article about dredging in Onondaga Lake and the dredging. The Board discussed citizen monitoring in an informal capacity on Canandaigua Lake. This board was looking for some training for Blue-Green Algae, that the HVA could sponsor for community engagement.

Find attached Honeoye Lake Water shed Task Force November 2017 update

Grapevine articles

Shoreline planting to deter geese.

Benthic Mats and new rules

TG motioned to skip the Dec. 18th meeting, seconded LM, ayes unanimous.

DL motioned to adjourn LW second, Ayes unanimous.

Next meeting of the Honeoye Valley Association will be Monday 6:30 pm January 15, 2018 held at the Honeoye Public Library

Honeoye Lake Watershed Task Force November 2017 Update

1. **Water Quality Update**
 - a. The summer of 2017 was very typical of the summers over the last 10 years in terms of water quality as measured by water clarity, amount of algae (Chl-a) in the water column, and Total Phosphorus.
2. **NYS DEC Honeoye Lake Total Maximum Daily Load (TMDL) analysis project**
 - a. DEC has completed and approved the Honeoye Lake TMDL report.
 - b. Now the Governor's office must review and approve our TMDL report.
 - c. Once it is approved by the Governor's office, our TMDL report will be released for a 30-day public review and comment period. Time TBD.
 - d. DEC plans to schedule a public information meeting to review their findings and recommendations.
3. **Climate change on shallow NYS lakes research grant project (Cornell/FLCC)**
 - a. Analyzing the water quality data collected last summer.
4. **Finger Lakes Institute (FLI) Nitrogen & Fluoroprobe Research Studies**
 - a. Plans to run lab tests and analyze all the weekly nitrogen samples collected last summer over the winter.
5. **Inlet Restoration Project**
 - a. Enhancements for the inlet restoration project have been completed.
 - b. More ditch plugs, vernal pools, and enhanced berms....
