# What does the HVA do?

The HVA's acts as an advocate for the protection and improvement of the Honeoye Lake Watershed. Activities include communicating with governmental agencies and political representatives, educational outreach, monitoring of the lake ecosystem, and acting as a clearinghouse for information related to these activities .

\*Website, Email Blasts, Grapevine Newsletter, Facebook, Events, Member of the HLWTF\*

*During the last year, the HVA sponsored or assisted the following:*

*Inlet Restoration fundraising*

*Fall Food Drive*

*Summer Symposium*

*Spring Roadside Cleanup*

*Yard Waste Cleanup*

*Grant to extend lake stewards to 7 day coverage*

*Numerous emails to members, Facebook page*

*Reintroduction of the Grapevine Newsletter*

## What's happening on the lake this summer/fall

- Ontario County Weed harvesting and a full season using the weed pickup barge
- DEC WQIP Round 11 Grant projects to be completed in 2017
- Year 2 of the Cornell study of blue green algae causes
- FLI Nitrogen Research Project received a \$25,000 GLRC Grant to extend study for two more Years
- Participating in the new DEC Finger Lakes Special “Citizens Statewide Lake Assessment Program” (CSLAP)
- Participating in DEC Blue-green Algae Monitoring Program again this Summer
- Weed Mapping to identify most impacted areas
- The State Boat Launch will have a boat steward on site 7 days a week

## Want to Learn More?

*The Annual HVA Meeting for HVA members will be held **July 15** at 9am at the United Church of Christ (UCC) on Main Street*

Please consider joining the  
HVA!
